2020-21

Merry Christmas!

- Here we are December 2020 and still facing some of the most challenging decisions...
- **Jan. 2021 meeting closed.** Based on the current COVID numbers we decided to not meet. We will meet again at some point but just because the meetings have paused does not mean your photography has. Keep shooting, keep trying different techniques and settings, keep asking questions.
- **Tim McMahon** was going to present a program on **Depth of Field** had the January program not been cancelled. We will see if we can get that on a video for you to watch.
- **Dec. Contest on "Patterns"** was some of the **most** interesting photos some of you submitted. Thanks for getting out with your cameras and searching for "patterns".
- **Remaining contests:** February "My Happy Place", April "Blue" and June is "Travel".
- **December** newsletter is short and not a lot of info. Stay safe and *Wishing you the Best Christmas full of "Joy"*

In the eye of the storm *He* is in control!

Stay well, stay safe everyone. We can do this!!!

Norah O'Donnell says, "stay positive, test negative".

Don't forget your camera and mask when you head out the door.

Meetings Canceled
