March 2021!

- We got this...another March and sooooo many changes!
- **March 4th**...what did you all think? New place to meet, new way to meet. I was pleased, thought everything went great. And good turnout! Thanks guys!
- **Willard Sharp.** I thought his program was well organized and interesting. I know given the emails I get with wanting “camera skill specifics” we may have missed that a bit. I appreciate your questions and your suggestions for speakers. Keep them coming please.
- **April Photo Contest is “Blue”.** And because it is a color you can submit all color, no B&W. Get to Brent, seedgeek01@gmail.com by March 30th. Don't forget to size images. Masks are required that night.
- **Garden Tour June 26th, 2021** at Brent Reschly & Megan's gardens. Nice garden art and some beautiful flowers, a lot of “color” along with pollinators. They always have things tip-top shape, there was a little Derecho damage but still their acreage offers a LOT! Get this on your calendars.
- **Speaker Subjects for 2021/2022.** Any ideas here. This would be areas you want to know more about. I have had some requests for “light,” and “post editing”, I have made some connections on both. Need two more.
- **Contest Subjects for 2021/2022.** Need ideas for contest subjects for next year. Send me your suggestions. October we always start off with October as a “open” contest, that means anything! Need four subject ideas.
- Now turning to my recent email you all got a couple days ago, on filling some positions, **VP, Photo Contest Chair and Treasurer.** Take your time thinking on this, but if we don't have anyone to step up, there will be some changes we will need to make, which would probably get us through another year. We can go without a VP for a while, we can go without Photo Contest Chair, by not having photos, just digital contests. But we need Treasurer. Teresa has been wanting to step away from this for some time. So if we don't have anyone wanting to fill this position the board will spend some time discussing the options.
